

ARTICULATION AGREEMENT Lourdes University & Davis College Business Programs

It is mutually agreed by Lourdes University and Davis College that Lourdes University will accept transfer credit from Davis College.

Lourdes will accept up to 50% of the credit hours required toward a Bachelor's degree in transfer credit from Davis College at the grade of C (2.0) or better into the baccalaureate degree programs offered by the Lourdes University College of Business and Leadership and will allocate specific credit as it meets program requirements.

The allocation of advanced credit to the program will be the responsibility of the Dean of the College of Business and Leadership, subject to the approval of the Provost/ Vice President of Academic Affairs of Lourdes University.

Davis College will retain full responsibility for the educational program of its students. Furthermore, Davis College should inform Lourdes of changes in the curriculum or changes in the availability of learning opportunities as far in advance of the time of the change as is feasible. Failure to do so may prevent the articulation or transfer of credit. If a change is made in the outline of one of the Davis College courses referenced in the Articulation Agreement, the change will be summarized and recorded as an addendum to the agreement. Such action will not require re-approval of the document.
