^{*}Students who have completed or graduated by end of the 12-month period at the end of Spring Quarter during which 150 percent of the normal time for completion or graduation from their program. These rates include students who study part-time who likely would not graduate during normal time. This represents an enrollment cohort from three years prior. The number of students may not be a large enough number to be statistically reliable. The average graduation rate for two-year programs nationally is 37% (National Clearing House). 3/25
